

## ***Red Dog* Quilt Block – by Flavin Glover**

You are welcome to print instructions for this free online Courthouse Steps Log Cabin block. The website Quilt Gallery features *Robo Dogs* and *Courthouse Steps Dogs*, using this hybrid block. In a typical Courthouse Steps block, Logs B are stitched side to side of center square A; then stitch Logs C to the top and bottom of B/A/B Unit. To piece *Red Dog*, follow the Log Piecing Order (pages 3 and 4). Note the log lengths are designated by alphabet letters and piecing order is designated by numbers. I cut the logs and machine piece the patchwork block. If you prefer to foundation piece, copy the Log Placement Diagram (page 2) on desired foundation paper.

**Fabric Selections:** Logs can be cut from one red, one dark and one background fabric or use multi-fabric 1 1/4" strips within the three color families.
